

## PROPERTY INSIGHTS

**Property Insights** are free reports that focus on coastal and resort markets. These brief reports provide updates on the housing and/or section markets that will be of interest to developers, building-related firms, real estate firms, valuers, councils, financiers, would-be holiday home owners and investors.

The following is the list of available reports. If you click on the title of the report it will take you to the pdf version of the report stored on our website.
